God is With Us to the End

Jesus tells the people in today's Gospel reading some of the things that will happen before the end of the world. He says that some people will be arrested and have to speak about Him in front of the leaders and rulers of the people, but He will protect them.

Jesus doesn't want us to worry about what is going to happen at the end of the world, but He wants us to be ready for it when it comes. He also wants us to be ready for the end of our lives, because we don't know when that's going to happen either.

Do you find it kind of scary thinking about the end of the world or dying? Well, you don't need to be afraid about it! Jesus will give us all the strength we need for whatever happens. All we have to do is trust in Him!
