Amendment 3 Information

MO3FACTS.COM is a website that shows the FULL Amendment 3 language along with “What it Means”. It is color coded to make it easy to follow. This website is intentionally designed to appear secular. Not Pro-Life. Not Pro-Choice. Catholic organizations want the Pro-Choice and “in between’ voters to feel comfortable to continue to read “Just the Facts”. For example, reproductive rights would include gender transition and abortions without parental consent. It is believed that most people will choose to vote “NO” after learning the facts about all that is included in the amendment.

Thank You

Thank you for the visits, cards, prayers and gifts, good wishes or anything you did to help make our anniversary a happy occasion.
Richard and Joan McNerney

Let us pray for the eternal repose of the soul of Audelia Carbajal Robles, the mother of Father Daniel Robles.
