Vote No on Amendment 3

Amendment 3 will appear on Missouri's November ballot. If passed, it will eliminate parental notification or consent, put women at risk because a medical doctor is not required to approve or perform abortions, and open the door to a taxpayer-funded abortions. Below is the updated court ordered fair ballot language regarding Amendment 3:

A "yes" vote establishes a constitutional right to make decisions about reproductive health care, including abortion and contraceptives, with any governmental interference of that right presumed invalid; removes Missouri's ban on abortion; allows regulation of reproductive health care to improve or maintain the health of the patient; requires the government not to discriminate; in government programs, funding and other activities, against persons providing or obtaining reproductive health care; and allows abortion to be restricted or banned after Fetal Viability except to protect the life or health of the women.

A "no" vote will continue the statutory prohibition of abortion in Missouri.

We urge all Missourians of good will to advocate for the health and safety of women and their unborn children and VOTE NO on Amendment 3.

PCCW

All women are invited to attend the PCCW meetings. Please plan to attend our next meeting Oct. 7th at 6:30pm.
