World Mission Sunday 2026

World Mission Sunday will be celebrated on **Sun., Oct. 18, 2026**, and is the day when the entire church unites its self in prayer and support for the church in missionary territories. The theme Pope Leo XIV has chosen is, "**One in Christ, united in mission.**" This year, 2026 marks the 100th world mission Sunday and the beatification of BL Archbishop Fulton Sheen, national director of the Pontifical Mission Societies USA from 1950-1966. Through World Mission Sunday, missionaries receive the spiritual and practical help they need to witness to Christ and bring God's love, mercy, and hope to the world. This is a parish collection for the missionary work of the Church throughout the world. All checks need to be written to the church.

Should we Obey the Government?

The Pharisees in today's Gospel reading were trying to trick Jesus and make Him say something wrong. They asked Him whether they should pay taxes to the pagan emperor. If He said no then He would be speaking against the emperor, but if He said yes then it would seem like He was saying that it was good for the Jews to be ruled by the pagan Romans.

But Jesus knew what the Pharisees were trying to do. He told them to show Him a coin, and asked them whose picture was on it. They said it was Caesar's (the Roman emperor's,) so Jesus told them, "Then repay to Caesar what is Caesar's and to God what is God's." He was telling them that they should obey the rulers of the land, but also that they should obey God.

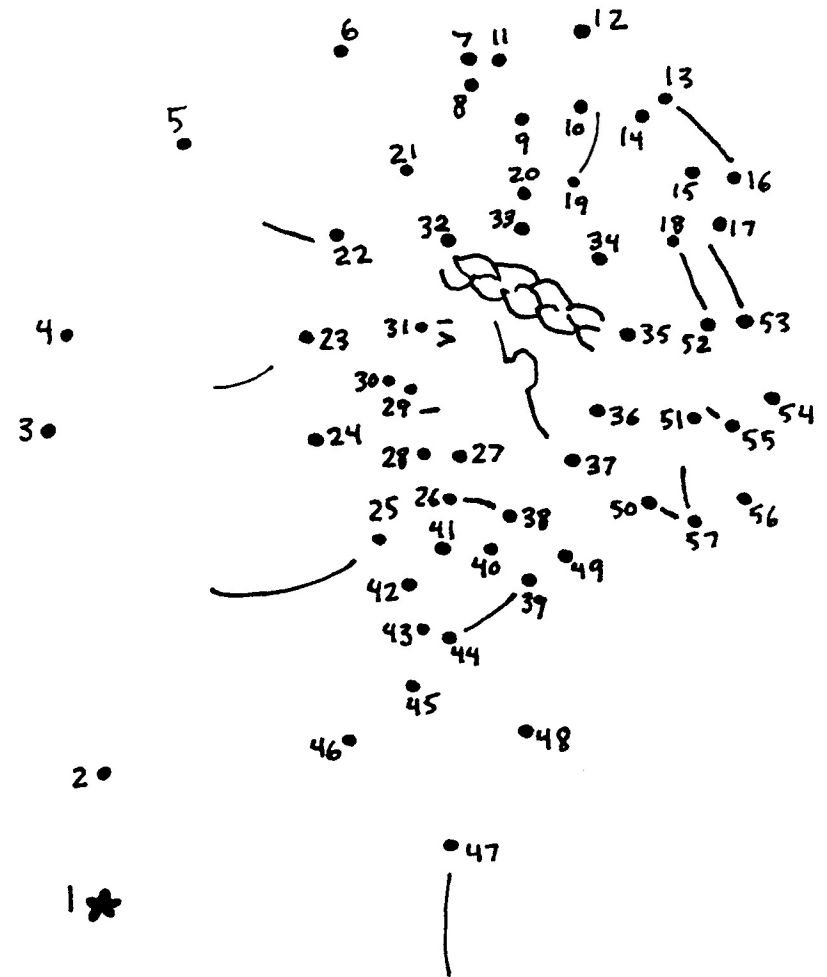

We have two kinds of laws: God's laws and the laws of our governments. Both are for our own good, but God's laws are more important. We should obey the government's laws as long as they agree with God's laws, but we must always obey God's laws. Can you think of some laws that the government makes that are for our good?

Answers to math puzzle: words are in this order: 8: Lord, 5: song, 6: sing, 9: lands, 7: glory, 2: nations, 3: peoples 4: deeds.
